

Dear Gardeners and Gardener-hopefuls,

Due to the current COVID-19 emergency, the Parks and Recreation office (and all City offices) is closed. Therefore, we are unable to register new gardeners or add plots for current gardeners at this time.

The situation changes every day, so please watch our website and the Parks and Rec website for updates:

**We will also stay in contact by
Constant Contact e-mails and at
noho-garden@googlegroups.com**

**And for now we have CLOSED the tool shed
to avoid spreading the virus on shared tools.**

Thank you for your patience. Please stay healthy!

**We can't wait to join you the garden.
